eSPECIAL**

Chillventa eSpecial: Online seminars, expert tools and more from HERMETIC

Dear customers, dear business partners,

Chillventa 2020 will open its virtual doors shortly. HERMETIC focuses on the design, selection and operation of canned motor pumps also at the digital version of this trade fair. We look forward to the exchange with you – whether in one of our online seminars, in a live chat or in-depth discussion with our [experts](#).

Alexei Khazanov, Sales Refrigeration Pumps

2:00 pm: Typical mistakes in pump planning and installation – and how to prevent them (in English)
Adrian Schäfer, Product and Application Management

Premiere: the new HERMETIC Expert Tool

Digital pump configuration made easy: With the new digital design tool, HERMETIC makes it even easier for you to select the right refrigerant pump. Because with just a few clicks and within a few seconds, the new HERMETIC expert tool shows you which pump is right for your application.

Discover the functionalities in the online seminar „Pump design made easy“ or make a personal appointment with one of our experts.

Virtual tour through refrigerant pump production

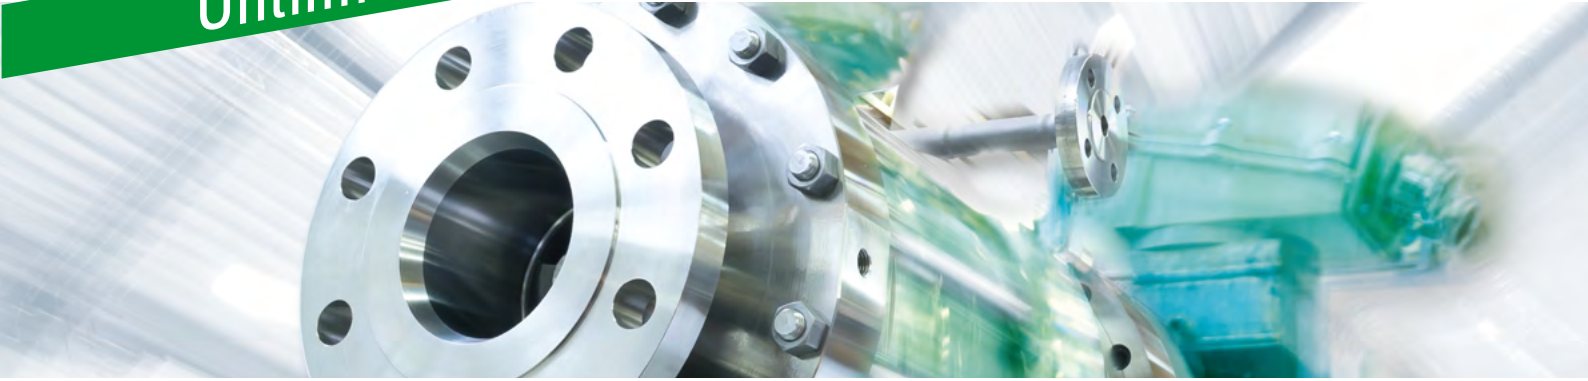

From our headquarters in Gundelfingen, we deliver several thousand canned motor pumps worldwide to refrigeration technology industry. Regardless of which refrigerant is used – with one of the most modern production facilities we are close at your side. We will take you on a virtual tour of Chillventa. Look forward to an informative look behind the scenes of the HERMETIC refrigerant pump production. **Exclusively at Chillventa – on the HERMETIC platform.**

Application reports and download area

Wind power – supermarkets – research – server rooms – food – refrigerated ships – sports facilities – cold stores – railways – the areas of application for safe and maintenance-free canned motor pumps from HERMETIC are diverse. Find out more about the application options [here](#) and get access to our exclusive download area with white papers for refrigeration technology.

Ready to meet? – Your HERMETIC Chillventa team looks forward to meeting you.
