

Dear Ladies and Gentlemen,

The CHILLVENTA 2012 will open its gates in a few weeks. We would like to use today's newsletter to get you into the mood for this exhibition highlight.

Transmitting information by print products or alternatively the online newsletter cannot and should not replace a personal contact to you. Therefore, visit us at the CHILLVENTA 2012 and learn about our innovations and services onsite.

The CHILLVENTA 2012 takes place from October 09th to 11th in Nuremberg. Our stand is located in **Hall 6, Stand 6-336**.

We are looking forward to your visit.

Nicolaus Krämer
Chief Executive Officer - CEO

Expansion of the executive board at HERMETIC-Pumpen GmbH

HERMETIC-Pumpen GmbH has set out guidelines for the further development and expansion of the company, as agreed at a general meeting. Substantial investment in the site in Gundelfingen and extensive restructuring are planned.

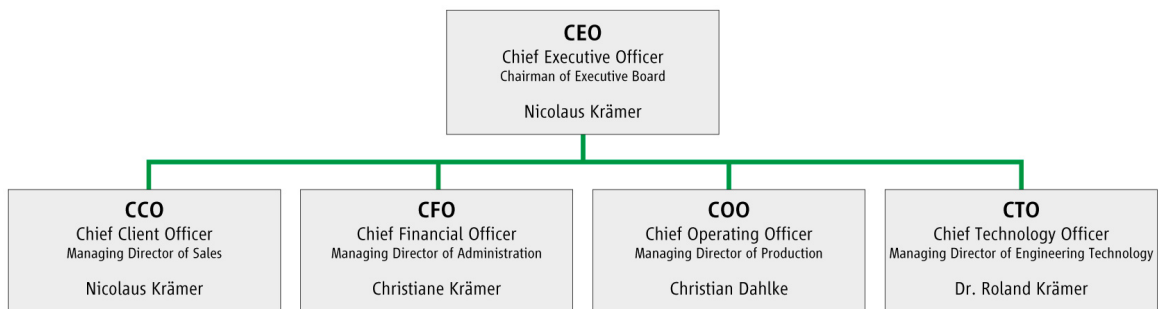

In order to help ensure the sustained growth of the company, the executive board of HERMETIC-Pumpen GmbH was expanded on 1st July 2012 and changes were made in the assignment of responsibilities:

Mr. Nicolaus Krämer is now chairman of the executive board and also continues to be in charge of sales.

Ms. Christiane Krämer remains responsible for administration, finance and human resources.

Mr. Christian Dahlke is a newly appointed member of the executive board. He is responsible for operational activities in the areas of purchasing, logistics, production, after-sales service and quality assurance.

Dr. Roland Krämer is responsible for research and development along with project- and customer-specific development.

We hope that you can learn useful details and innovative ideas for your daily business from our newsletter. If you will not receive our newsletter any more you can unsubscribe with a single [click](#).
